Do you consider the Local Plan complies with the duty to co-operate: Yes

Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate:

The mapped strategic routes do not match the proposed routes for heavy hood vehicles.

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above:

Your strategic routes map is not matching your proposed HGV routes. Do not make B roads which are not on your strategic routes maps routes for HGVs. They should only use A roads. This specifically applies to the B6068 Abbey Lane. You are proposing a strategic HGV route on an unsuitable B road with 2 raised

speed bump zebra crossings needed to slow traffic as this road has a primary school on it (Abbey Lane Primary School). It is not suitable for HGVs.
