Hello Jayne hope you are well you have moved jobs a bit since I left, well done. Land around Owlthorpe is getting hit for new build a little at the moment. New homes are being built at the moment just off Donesky Way. The traffic is horrendous in this area and our GP practice is surely full. Why are building contractors not looking at Scowerdons,Weakland and Newstead where houses were already built and demolished? You may now have guessed its Ann Bradbury sending you this email. Do your best Ann
