There has been no consultation within Beighton certainly as far as I am concerned. The allocation of the use of this site to Travellers is a gross invasion of our village and its peaceful existence and even more so to the hardworking people who's homes surround it. I suggest that the people responsible for the idea go and see some of these sites and ask themselves if they would put up with one at the bottom of their garden. Have you seen the mess around them? Have you consulted the businesses at Holbrook where there has been on for hears [REDACTED] [REDACTED] Have you asked about sound pollution from the same businesses?

Find a suitable site away from housing estates where people live and have to return to after work to relax and recharge.
