**Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate:**

These plans have not taken into consideration the already severe traffic congestion in this area. These have increased dramatically over the years with the addition of retail parks, supermarkets and additional public houses. At busy times, the congestion at the suggested access point for this proposal is horrendous and has a knock-on effect to the local road infrastructure. Allowing the use of this land for the proposed heavy vehicles will exacerbate the issues and create mayhem on the roads in the local area.
