Do you consider the Local Plan is legally compliant: Yes

Do you consider the Local Plan is sound: No

Do you consider the Local Plan complies with the duty to co-operate: Yes

Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate:

The area is already over saturated with housing and light industrial units plus the shopping centres the infrastructure cannot cope with anymore developments or individuals we get no extra doctors/ dentists despite increasing our local population

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above:

Number one the traffic around drakehouse / seven airs is already high and congested the roads are all single carriageway apart from one short street of dual

carriageway on the A57 and would therefore need major improvements if more dwellings and industrial units are sited in the area
We would also need additional services such as Doctors and dentist being brought into the area

If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s):

No, I do not wish to participate in hearing session(s)

If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:
