**Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate:**

The proposed traveller site would be situated far too close to an housing estate, causing lack of privacy, devaluation of property and further problems with traffic issues that are already extremely bad. If the travellers are staying long term this will also cause further issues with local amenities i.e doctors, schools which already seem to be at capacity.

Other more appropriate sites, with better road links and not within close proximity to a housing estate should be considered
