Do you consider the Local Plan is legally compliant: Yes

Do you consider the Local Plan is sound: No

Do you consider the Local Plan complies with the duty to co-operate: Yes

Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate:

The site is not suitable for any type of residential or industrial units the traffics in an extremely built up area is already horrific. It takes me upwards of 30 min to get from beighton to the roundabout where the propos d site is because none of the roadworks have been considered when multiple new businesses have arrived in the area. le Scarsdale, Pappas now burger king. I'm worried about the traffic, pollution . I also wish to note that S20 and nether edge currently house the ONLY 2 traveller sites in Sheffield the sites should be spread across the city and not congested in one area. Alternative sites that aren't as close to a residential area should be considered.

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above:

1. Deal with current traffic issues and road infrastructure before any further development in the area.
2. Consider other venues in Sheffield that are more appropriate for the site.

If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s):

Yes, I wish to participate in hearing session(s)

If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

I have no trust in the council or that they will consider the proposals fully
