Representation

Do you consider the Local Plan is legally compliant: No

Do you consider the Local Plan is sound: No

Do you consider the Local Plan complies with the duty to co-operate: No

Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate:

My main objection is the additional contribution to traffic, which is already significantly bad in the area. There are already more units being built near springwell such as Burger King which will also add to the traffic issues. Furthermore I don't think a travellers site so close to residents homes is acceptable

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above:

I believe there to be more suitable locations for an industrial site and travellers site. Preferably one that is further away from residential areas

If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s):

No, I do not wish to participate in hearing session(s)

If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:
