Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate:

There has been no consultation with the local community regarding the proposal for a Travellers Site in this area. The current situation regarding traffic congestion is already unacceptable with long tail backs not just at peak times but throughout the weekend with consumers heading to and from the retail outlets at Drakehouse and Crystal Peaks. This impacts the local community not only from the point of view of getting around but also in terms of pollution. This was one of the main reasons the local community objected to house building on Owlthorpe Fields and the effects of that housing is yet to impact as most houses there are still not occupied.

It should be noted that the overwhelming majority of Councillors at the Planning Committee Meeting of June 2020 rejected the proposal for building on Owlthorpe Fields - the main reason being the traffic congestion.
