Really thrilled to see the Greenspace application for Bolehill woods in Sheffield 8 . This well constructed document will hopefully protect an area of huge importance to the many walkers with their children, shopping or dogs connecting Woodseats up to Graves Park. It is a tranquil cool place and is full of trees wildflowers birds and wildlife in an otherwise noisy suburb full of fumes and the trappings of 21st Century life. (A bin at the top of it would be really appreciated btw!)

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above:
