I would like to support Policy SA5 item f, the designation of Owlthorpe Fields as a Local Green Space. This is in line with paragraph 101, 102 and 103 of the NPPF (July 2021). Specifically, the evidence provided for the designation as Local Green Space by the community is fully in compliance with the requirements stated in NPPF paragraph 102.

The Local Green Space is much needed for the local community as well as for the wider area, especially after Sites C and D had been designated as a Local Wildlife Site. With many of us still working from home after the pandemic, the importance of the green area for keeping us sane cannot be underestimated.
