Dear Mr Dickson,

Bob tells me that he never managed to complete the registration for the mailing list. I think it was the IT side of it which was difficult to negotiate. He definitely does wish to be involved and object so I hope it isn't too late. He is going to have another go at registering. Perhaps with some help from someone more used to these portals.

Kind regards,

Deborah Anderson

Thank you for your enquiry.

Since the change in the data protection regulations, we cannot add new users – everyone has to register themselves. To do this please go to <https://www.sheffield.gov.uk/sheffieldplan> and scroll down to the “Register for the Sheffield Plan mailing list” section of the page.

On the Sheffield Plan Consultation Home page, click on  at the top right to register. If you are an agent with clients, please tick the Register as an Agent option.

Our consultation portal is hosted by Objective and **to validate your registration, you need to click on the link which will be emailed to you after** the first part of the registration process.

Dear Mr Dickson,

Thank you for this map. We will wish to object to the proposal. I cannot find your original letter which came through the post and recall that we needed to register in order to comment on the proposal. Could you please let us know where we need to register in order to be able to object.

Kind regards,

Deborah and Bob Anderson

Dear Dr Anderson,

Further our telephone conversations, please see the attached plan showing the boundary of the proposed Local Green Space designation at Bolehill Wood in red.

As explained in our letter, this is part of the Draft Local Plan which will be subject to public consultation early in the New Year. Anyone can submit comments at that stage.

If you wish to object to the proposed Local Green Space designation at Bolehill Wood, you will need to clearly set out your reasons as to why you consider the designation to be inappropriate.

I hope that this is helpful.

Kind regards, Gary
