**Subject:** Draft city plan and proposed development on Eckington Way  
**Date:** 24 February 2023 17:09:59

---

I attended the meeting on 9th February to discuss the emotive City plan for Eckington Way. So many people did not get the chance to speak.

On behalf of local people I would like to point out that there are now only 2 green fields left in Beighton. During the Covid pandemic these were the only green spaces available for people to walk. The green field off Eckington way was used by so many people, it brought the community together and children even painted stones and brought them together on the field. This green space is important to the community.

I trust that the planners will change the plan.
