Hi
Please find objections emailed to myself re the development at Owlthorpe
Thanks
Jayne

Dear Madam,

We wish to register our strongest objection regarding the building of yet more houses on Owlthorpe Heritage and Nature Trail, this is totally unacceptable. There are not enough facilities available in this area, i.e. schools, doctors, public transport, and the amount of traffic this new area will create is unacceptable.

The last lot of house building in this area which is not yet finished, caused problems with noise, mud on the roads, traffic from heavy vehicles and pollution.

This is a lovely peaceful area and my wife does regularly walk there and appreciates the tranquillity, (when the site is not being worked on), and we are very disappointed that the Council is now considering the planning application to build more houses on this site.

[REDACTED] and I am extremely worried about the increased traffic and how it will affect my health.

Please reconsider approving this this Planning application.

Yours faithfully,

James and Jacqueline Grieve.
