Representation

Do you consider the Local Plan is legally compliant: Yes

Do you consider the Local Plan is sound: No

Do you consider the Local Plan complies with the duty to co-operate: No

Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate:

There has been virtually no consultation [REDACTED] who are likely to be affected by the siting of this Travellers site at the proposed location.

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above:

The site should not be placed on the proposed location. There is already an existing traveller site in this area and any new site should be placed in other parts of the City where such sites are not currently situated. The existing roads are insufficient for the volumes of traffic due to the nearby Crystal Peaks Shopping Centre and Drakehouse

Retail Park, coupled with the extensive housing population the roads are often gridlocked without adding more vehicles to existing roads.

If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s):

Yes, I wish to participate in hearing session(s)

If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

I want to hear what is said at the hearings as I believe that the scheme should not go ahead and have reasoned suggestions as to why.
