## About The Sheffield UTC Academy Trust – Nick Crew, Executive Principal

The Sheffield UTC Academy Trust is a growing UTC-only Trust in the Sheffield City Region.

At UTC Sheffield we offer specialist courses designed with employers in five exciting areas: Computing; Creative & Digital Media; Engineering & Advanced Manufacturing; Health Sciences and Sport Science. These are all regional, national and international growth areas that will offer strong career opportunities in the future.

At UTC Sheffield we have two campuses, UTC Sheffield City Centre and UTC Sheffield Olympic Legacy Park. Students can join from age 13, in Year 9 or at age 16, in Year 12 to study an academic curriculum – GCSEs and A Levels – alongside their technical specialism. The difference is that all academic study relates to employer-led projects. Students gain the skills and qualifications to open up opportunities for jobs, apprenticeships and university courses.

UTC Derby Pride Park joined the Trust in December 2019 and offer Engineering and Health & Life Sciences as a pathway for students.

## About UTC Sheffield City Centre – Alex Reynolds, Principal

We opened in 2013, and had our first set of graduates in 2015, who came out with fantastic results, especially in their technical qualifications.

Located in Sheffield's vibrant creative quarter, the City Centre campus is in the hub of creative and digital businesses in Sheffield. With capacity for 600 students, when full, our class sizes are smaller than average, allowing staff to spend more time with the students.

At the City Centre UTC we offer a dynamic, career-focused and supportive learning environment working in partnership with a wide range of local engineering and creative and digital employers.

Our state-of-the-art building is equipped with high quality, [industry-standard facilities](#), including engineering mini factories, milling machines and lathes, a prototyping workshop, a CNC machine suite, and much more.

In February 2020 we had our [second Ofsted inspection](#), also achieving a 'Good' rating; Ofsted praised UTC Sheffield City Centre on establishing a business-like culture and technical curriculum closely aligned to the needs of employers and universities.

## About UTC Sheffield Olympic Legacy Park – Jessica Stevenson, Principal

UTC OLP specialise in Health Sciences, Sport Science and Computing. Students can start with us in Y9 or Y12 to study a combination of GCSEs/A Levels and a technical specialism (OCR Cambridge Technicals and Nationals).

We are located on the [Olympic Legacy Park](#), which is set to be part of an internationally recognised Innovation District for health and wellbeing research and learning. The Olympic Legacy Park will host not only Sheffield's second UTC, but also Sheffield Eagles Rugby and the Advanced Wellbeing Research Centre (AWRC), which will be the most advanced research and development centre for physical activity and health in the world.

At UTC Sheffield Olympic Legacy Park we offer a dynamic, career-focused and supportive learning environment, working in partnership with a wide range of local health, sport and computing employers.

Our state-of-the-art building is equipped with high quality, [industry-standard facilities](#), including a health and development suite including a flexible ward set up, a child development area and a facility for an operational ambulance, a user experience (UX) lab, a fitness suite and much more.
