5									Petitioner requested petition be deleted, 20/6/24.
6	5/6/24	Tom Barnard	31	Osgathorpe Drive and Fir View Gardens Residents Petition for Traffic Calming Paper Petition	Transport, Regeneration and Climate Policy Committee – 24/7/24		24/7/24	Olivia Timms	From Cllr Ben Miskell- When the new development was constructed, part of the planning process was to make all the private road to the development adoptable, bringing it up to highway standard. This has not been done yet, I will ask officers to look into this further. There is nothing within the planning conditions that require any traffic calming measures and there are no plans to introduce any. You may wish to speak to the developer, 'Great Places' to see if they would be interested in funding traffic calming measures, these would have to be installed to highway standards once the road is adopted. We would support making a case to 'Great Places'. The full response can be found here – Agenda for Transport, Regeneration and Climate Policy Committee on Wednesday 24 July 2024, 10.00 am Sheffield City Council
7	10/6/24	Selina Akers	0	Planning ref number – 24/00920/FUL Petition against the expansion of Beeley Wood Processing Plant			1/8/24	Abby Hodgetts	Petition invalid as no signatures, petitioner informed.
8	25/06/24	Lesley Smith	145	Parking Issues on Scraith Wood Drive	Council – 17/7/24		18/7/24	Olivia Timms	From Cllr Ben Miskell –

				Paper Petition					<p>Thank you for your petition requesting the installation of double yellow lines on the odd number side of Scraith Wood Drive.</p> <p>The City Council has, for many years, suffered major reductions in the funding that it receives from Central Government. These reductions have, in turn, equated to serious cuts in the City Transport budget. Due to these cuts, it is not possible for us to immediately satisfy all the requests for schemes that we receive from the city. All requests for the introduction of parking restrictions are, therefore, recorded on a city-wide master list of requests where they are assessed and prioritised.</p> <p>A request is already on our system for double yellow lines on the odd number side of Scraith Wood Drive and when assessed, it scored 8. In the 24/25 financial year we are installing schemes that score 11 and above. It is not therefore possible to say when this request will be considered.</p> <p>You can report dangerous or obstructive parking to South Yorkshire Police, and we are sorry that we cannot offer any immediate help with the parking issue that you have raised.</p> <p>The full response can be found here – Agenda for Transport, Regeneration and Climate Policy Committee on Wednesday 24 July 2024, 10.00 am Sheffield City Council</p>
9	1/7/24	Mohammed Faysal Ansar		To make the footpath more friendly for disabled/elderly people to use and teach car users how to park properly/safely on the road	Transport, Regeneration and Climate Change Policy Committee – 11/9/24			Olivia Timms	
10	8/7/24	Mohammed Issa	186	Keep Vestry Hall under Council management, making it accessible and affordable to all. Paper Petition	Council – 17/7/24		18/7/24	Lesley Dyson	From Cllr Kurtis Crossland – There are no immediate plans to change the operating model of Burngreave Vestry Hall, and it will continue to be available to the community for sessional hire. Any

									<p>changes to the operating model would follow the relevant policies currently being developed.</p> <p>The Council is responsible for managing and maintaining approximately 100 Community Buildings, as well as owning several others that are leased to voluntary, community, and faith-based organisations. Currently, we are developing a new policy for community buildings to ensure a more consistent, sustainable, and asset-based approach. This program is being piloted in the South LAC in collaboration with the voluntary and community faith sector.</p> <p>The evaluation of community buildings will involve local councillors, community organisations, and the voluntary sector in shaping comprehensive policies related to community buildings, including their costs, usage, and transfers.</p> <p>Full details of the meeting can be found here - Agenda for Council on Wednesday 17 July 2024, 2.00 pm Sheffield City Council</p>
11	10/7/24	Elaine Bird		Stop the Pedestrianisation of Surrey Street	Transport, Regeneration and Climate Policy Committee – 11/9/24			Olivia Timms	
12	15/7/24	Ibrar Hussain	184	<p>Defer the report on the Review of Taxi Licensing Fees and Charges</p> <p>Petition · Sheffield City Council Annual Fees Review July 2024 - Sheffield, United Kingdom · Change.org</p>	Waste and Street Scene Policy Committee – 19/7/24		25/7/24	June Henson and Rosemary Ferrill	<p>From Cllr Joe Otten – Pre-consultation meeting held with trade representatives (ADCU, STTA and GMB), Thursday 11th July.</p> <p>There have been no increases in taxi fees since 2016, despite the costs to operate the service increasing over the last eight years. The council is currently subsidising the cost of operating Taxi licensing on average of £146,000 per year based on the last 3 years costs and income.</p> <p>Should members of the Committee determine to make changes to the current taxi licensing fees on 19th July 2024, then, in line with legislation, a 28-day public consultation will be held shortly after.</p> <p>During the consultation period, all stakeholders will have the opportunity to</p>

									make formal representations regarding any proposed changes to taxi licensing fees. Details of this meeting can be found here - Agenda for Waste & Street Scene Policy Committee on Friday 19 July 2024, 10.00 am Sheffield City Council
