Sheffield Cares, Excellence Awards 2025

The Sheffield Cares Excellence Awards, hosted by Sheffield City Council's Adult Care and Wellbeing team, will celebrate and empower the city's most skilled and dedicated carers. We are shining a light on everyone who contributes to the provision of care and support in Sheffield. This includes our 17,500 strong care sector workforce, our 11,000 unpaid carers, or our 7000 young carers.

The awards will be held at Sheffield City Hall Ballroom on Thursday 13th February 2025.

Nominations open in mid October and close at midnight on the 10th November 2024.

All nominations will be considered by our independent panel of decision-makers. The panel will be made up of individuals who receive care and support and people who have a wider interest in the social care sector in the UK.

Award winners will be notified by the 18th of December, 2024.

What are the award categories?

The eleven Care Excellence Awards are focused around four themes:

Someone providing or working in care who shows warmth and kindness in every interaction. Listening and responding to the person they are with openly, honestly and without judgement. Empathising with their situation, supporting them both practically and emotionally.

Inspirational Support or Leadership

Someone working in care who goes above and beyond to support their colleagues. Taking time to listen and understand their concerns, helping them to grow and develop, and encouraging them to be the best they can be.

Respect, Equality & Inclusion

Someone who makes it their business to remove barriers, to respect people's individual preferences, and to ensure equality of experience and opportunity. They actively prioritise the voices of people who may be excluded or marginalised to make sure they are heard and empowered to be themselves.

This award is for someone whose values and behaviour contribute positively to the creation of a more equitable and inclusive care sector for the people of Sheffield.

Young Carer Awards

Primary Age, Secondary Age and Young Adult Carers (16-25)

In Sheffield, we have more than 7,000 young carers providing substantial unpaid care for a relative who has disabilities, long-term physical illnesses, mental health difficulties and /or drug or alcohol issues. We believe passionately that it is the right of every young carer to be recognised for their role and to have the same opportunities as other children and young people of a similar age.

To help recognise and celebrate the young carers in our city, please nominate a young carer who has shown exceptional strength, resilience, and dedication. This might relate to their caring role and/or for their contribution to the wider community.
