Subsidy Control

The Retail Hospitality and Leisure Scheme is likely to amount to subsidy. Any relief provided by local authorities under this scheme will need to comply with the UK's domestic and international subsidy control obligations of the UK-EU Trade and Cooperation Agreement (TCA), World Trade Organisation rules on subsidies, and other international subsidy control commitments.

Article 364 of the UK-EU Trade and Cooperation Agreement allows an economic actor (e.g. a holding company and its subsidiaries) to receive up to £343,000 Special Drawing Rights in a three-year period (consisting of the 2024/25 year and the two previous financial years). Expanded Retail Discount granted in either 2022/23 or 2023/24 does not count towards the £343,000 allowance but BEIS business grants (throughout the 3 years) and any other subsidies claimed under the Small Amounts of Financial Assistance limit should be counted.
